EDUCATION

JSPMS Rajarshi Shahu College of Engineering, Pune.	**February 2020 - July 2024**
Branch: Computer Science, CGPA: 8.63	(Expected)
New English School Jamner. State Board (Class XII), Aggregate: 68.92	**June 2018 - February 2019**
B.M.V Shelwad. State Board (Class X), Aggregate: 87.60	**June 2016 - March 2017**

ACHIEVEMENTS

- Solved **500+** Problems on different coding platforms.
- **5** Star in C++ at Hackerrank.
- **3** Star at LeetCode in Problem Solving.
- Published Research Paper in Scopus Indexed Journal.
- Achieved **1st** rank among **300+** student in our college coding competition.

SKILLS

C++, JavaScript, SQL, Python, Java, HTML, CSS, React.Js, API, Data Structure and Algorithms, OOPs, MySQL, Git and GitHub, VS Code, Postman, Computer Network, Operating System and Database Management System.

INTERNSHIP AND TRAINING

1. **RSL Solution PVT. LTD - Software Developer Intern ([Link](#))**   **December 2023 – Present**
   - Revamped and optimized the company website, ensuring responsiveness across various devices and screen sizes.
   - Proficient in HTML, CSS, and JavaScript for building interactive and visually appealing web interfaces.
   - Experienced in developing dynamic and efficient user interfaces using React.js framework.

2. **Persistent Martian Summer Internship Program 2023**   **June 2023 – August 2023**
   - Skilled in Java, Data structures, Algorithms, OOP's and Database Management Systems.

PROJECTS

1. **E-Commerce Website**   Tech Stack: Reactjs, Stripe, Strapi CMS, Material-UI.   **Code**
   - Created Ecommerce website using Reactjs and Strapi.
   - Develop User-friendly UI using react components.
   - Integrated Payment Gateway using stripe.

2. **Campus Management System.**   Tech Stack: HTML, CSS, JavaScript, Reactjs, Nodejs, MySQL, SQL.   **Code**
   - Developed a Campus Management System project.
   - Added extra features to the existing system and improved the user interface.
   - The website is currently being utilized by our college and Handles traffic over **1000+** Students.

EXTRACURRICULAR ACTIVITIES

- Active member of the Coding Club at my college and have organized numerous coding competitions within our institution with collaborating with team.
- Active Member of Rotaract Club, Participated in various social activities.

CERTIFICATES

- Data Structure and Algorithms with C++ Certificate.
- Web Development Certificate.

CODING PROFILE

- LeetCode   • GFG   • Hackerrank

RESEARCH WORK

- Published Survey Paper of the project in Scopus Index Journal.   **Link**
